

Early Years Application Update

Notifications Menu

Note: Early Years Administrators will have the full function of the Notifications menu - Please be aware that sensitive content is discussed within the help guide.

Before you complete any assessments in the child profile, please ensure that you're in the correct child profile by checking the child's demographic information. It's advisable to only have one Early Years or Early Education session open at a time.

Notifications Menu:

When you log into the Early Years Application a pop-up prompt may display a notification that new data has been added to the system since you last logged in. **'Click' 'Display'** and you will be redirected to the Notifications Menu. **'Click'** the **'X'** at the top right of the prompt to close the window.

'Click' 'Notifications' on the left side of the menu bar. The **'Notifications'** page will appear providing **'Record type'** information for Carer, Child and Person. These **'Action types'** include New, Updated, Transfer Rejected, New Transfer and Deceased.

The screenshot shows the Notifications page interface. At the top, there is a search bar with the placeholder text "Search for child or carer, Ni" and a magnifying glass icon. To the right of the search bar are two dropdown menus labeled "Record type" and "Action type". Below these is a table with the following columns: Record type, Full name, NHS number, Date of birth, Locality, Source, Action type, Updated date, and Created date. The table contains three rows of data:

Record type	Full name	NHS number	Date of birth	Locality	Source	Action type	Updated date	Created date
Child	BABY SCHILLER	9039040222	28/08/2024	Training	NEMSpds-birth-notification-1	NEW	24/09/2024, 16:13	Details

Carer	RON COOKIE	9268112477	01/01/2000	Training	NEMSpds-change-of-address-1	UPDATE	24/09/2024, 15:28	Details

'Search' by **'typing'** the name of a child, carer or use the NHS number.

This screenshot is identical to the previous one, but the search bar is highlighted with a red rectangular box to emphasize the search functionality.

You can search and filter by **'Record type'** or **'Action type'**. **'Click'** Record type or the Action type arrow to view the dropdown menu.

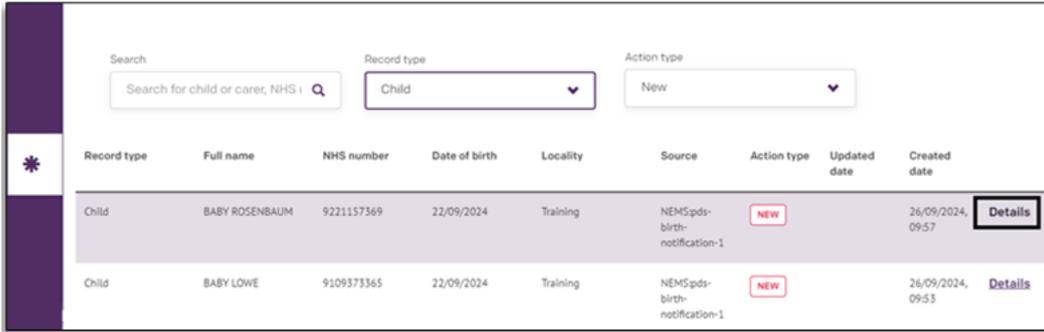

This screenshot shows the Notifications page with the "Record type" and "Action type" dropdown menus open. The "Record type" dropdown shows options: Carer, Child, and Person. The "Action type" dropdown shows options: New, Update, Transfer rejected, New transferred, and Deceased. The table below shows the following data:

Record type	Full name	NHS number	Date of birth	Locality	Source	Action type
Child	EMILY LEACH TEST	9995638975	20/12/2023	Training	NEMSpds-change-of-address-1	UPDATE
Child	BABY DURGAN III	9569038381	28/08/2024	Training	NEMSpds-birth-notification-1	TRANSFER REJECTED

Note: The Record types are Carer, Child and Person.

Transfer Record:

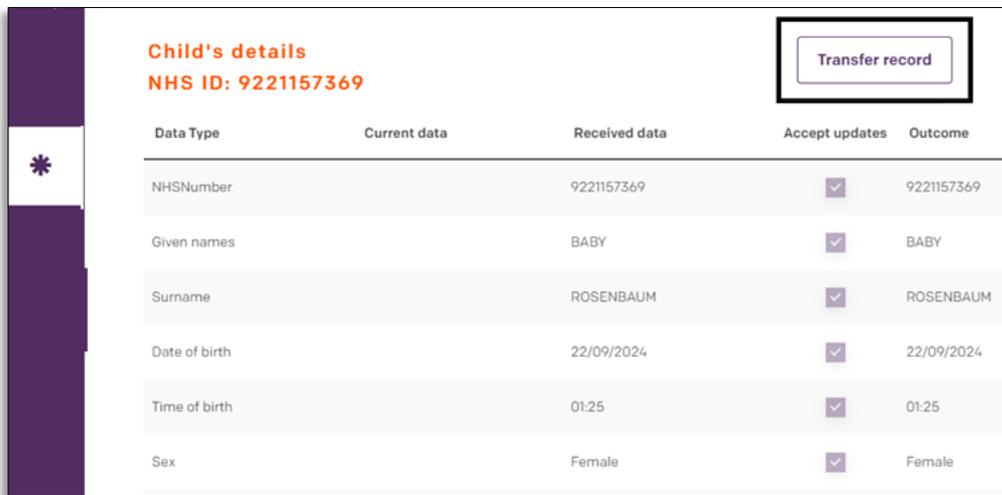

'Click' 'Details' on the profile you want to transfer to another Locality.

The screenshot shows a search interface with filters for 'Record type' (Child) and 'Action type' (New). Below the filters is a table with columns: Record type, Full name, NHS number, Date of birth, Locality, Source, Action type, Updated date, and Created date. Two records are listed, both with 'NEW' status and 'Details' links.

Record type	Full name	NHS number	Date of birth	Locality	Source	Action type	Updated date	Created date
Child	BABY ROSENBAUM	9221157369	22/09/2024	Training	NEMSpds-birth-notification-1	NEW	26/09/2024, 09:57	26/09/2024, 09:57

A prompt will display, 'Click' the drop-down arrow to view the Locality options.

The screenshot shows a dialog box titled 'Please select Locality where child should be transferred'. It features a search input field with 'Test New name' and a dropdown arrow. Below the search field is a list of locality options: Bury, Holding Locality (Safeguarding), New Locality, Rochdale, Salford, Stockport, Test New name, and Training. A 'Transfer record' button is visible in the background.

Once you have selected the Locality. **'Click' 'Proceed'**. The profile will be transferred.

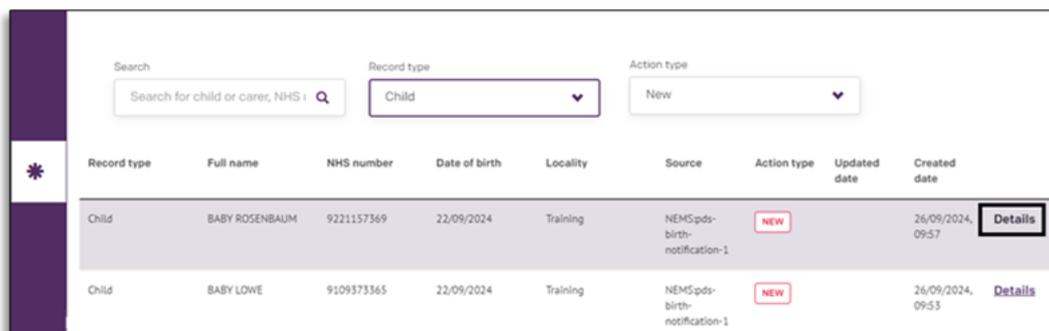

Action Type: New

In this scenario the **'Record type' 'child'** is selected, and the **'Action type' is 'New'**. You will only view child new birth information.

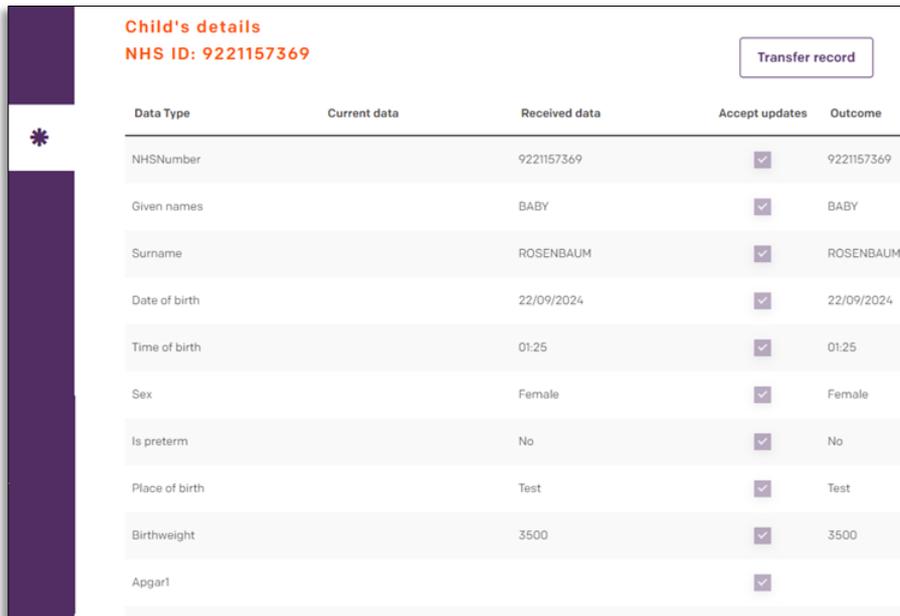

Note: The Record type **'Person'** refers to the 1st or 2nd parent. The first parent may not have a profile in the application as they are not the primary carer.

'Click' 'Details' to view the new birth child's details profile.

The **'Child's details'** page allows you to review the Child's and Parent details. **'Scroll-down'** to view the Parent's details and review the entire page.
